

ALL THINGS PROJECT MANAGEMENT

Our Company

The Wright Enterprise Group [TWEG] is an integrated Construction Management and Real Estate Development Consultant Enterprise that specializes in representing Project Owners using techniques in planning, design, monitoring, compliance, and overall management of construction projects in order to control a project's time, cost and quality. Our experience includes Environmental Services which produce goods and services to measure, prevent, limit, minimize or correct environmental damage to water, air and soil, as well as problems related to waste, noise, and eco-systems. This sector deals with waste management, air pollution, water and waste, along with environmental services and equipment. In addition, we provide leadership, management and strategic vision to Disaster Recovery Services by ensuring effective and uniform delivery of disaster services throughout the region. Plans, develops executes and evaluates disaster response and service delivery strategies. Our goal is remain committed to reinforcing our client's vision, financial objectives and schedule of the project.
